

TMNT™

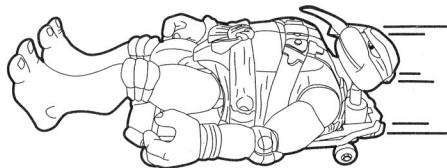

STREET GRINDIN' RAPH INSTRUCTIONS:

1. Get ready for some Street Grindin' action! First, attach Raph's back-board to his back shell.

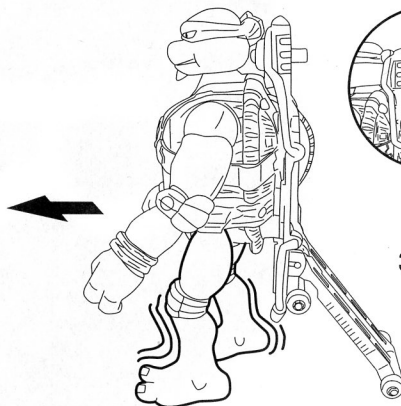

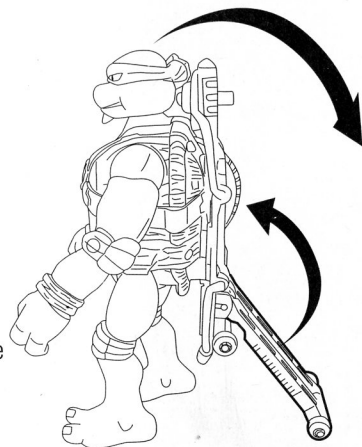

2. Drop the front of the back-board down and then insert the power cord in its slot within Raph's back-board and shell.

5. Raph then rolls feet-forward for real Street Grindin' action!

4. Place Raph on a flat surface and Raph runs forward and then dives backwards onto his back-board!

3. With Raph standing up, pull the power cord up and down several times as fast as you can, then release by pulling the ripcord all the way out of his shell.
