**Donatello:
The Roomy Reptile**

Because Don's only got two hands, this roomy reptile relies on his storage shell to tote the tools of his trade. This storage shell superhero may not have anything up his sleeve, but check out his back! Don's got his bo snapped to his back for easy retrieval. And when the going gets Turtle tough, Don just opens his back and selects a weapon from his awesome arsenal: a sewer slingshot for the fast movin' Foot; a fish knife to scale the Foot down to size; a shark fin hatchet for hacking hoodlums; two ninja stars – one for each hand; and a killer pizza – the pizza that slices back!
