HERE'S HOW TO MUTATE YOUR MEGA MOTORIN' ELITE GUARD STREET CYCLE INTO ATTACK MODE:

Clip on the front fairing onto the posts in front of the handlebars. (See Diagram 1a) Add the side panel speed guards by inserting on to side posts as shown. (See Diagram 1b) Slide the Front Tire-Slicin' Bumper Blade onto the brackets on the front wheel. Pull forward for attack mode, slide back into place for street cruising mode. (See Diagram 1c)

Get ready for some awesome action! Place the Mega Motorin' Elite Guard on the seat, putting his hands on the E-Z grip handle bars and his feet on the pedal bars. Turn his hands at the wrists to fit onto the handle bars. (See Diagram 2)

When Elite Guard is finished riding, fold down the Kick Stand beneath the motorcycle to stand bike. (See Diagram 5).

To load and fire Surprise Spring-powered Missile, lift the front fairing and insert the missile all the way back into launcher. To fire, raise fairing up and press button on top of engine. (See Diagram 4). Continue the battle again and again, as the Elite Guard searches for his first taste of a Ninja Turtle.
